

Let's Get Moving Now

CHORUS

Let's get moving now
Have some fun!
Dancing's here for everyone
Let's get moving now
Dance and play!
Moving, grooving, everyday

Stand up, start up, jump right in
Clap your hands, and let's begin
Shake your body, move to the beat
Move your arms, and move your feet!

CHORUS

Move your body, move to the tune
Do any dance that you want to do.
Feel the rhythm, feel the beat
Move your body, move your feet.

CHORUS

Moving fast, moving slow
Pump it up, pump it up, go, go, go
Keep on moving, dance and sway
It's dancing time today

CHORUS

Keep on moving to the beat
Happy moves and dancing feet
Find a partner, dance awhile
Dance alone with a great big smile

CHORUS

For the Teacher:

The song, *Let's Get Moving Now*, encourages children to feel the rhythm and beat of the music and explore moving in time and space through dance. Encourage the children to use their imaginations to move creatively and have fun!

Goal:

The children will actively participate in an activity to develop language skills and space, time and body awareness as they move their bodies creatively in response to the beat of the music.
