A Smile Is A Gift

A smile is a gift that you give yourself,
When you're feeling sad or blue.
A smile is a gift that you give away,
It's a gift from me to you.

So smile awhile and you will see,
A smile can change a frown for you or me.
Smile a while and you will surely say,
A smile can brighten each and every day.

A smile is a gift that you give yourself,
When you're feeling sad or blue.
A smile is a gift that you give away,
It's a gift from me to you.

A smile is a gift that you give yourself,
When you're feeling sad or blue.
A smile is a gift that you give away,
It's a gift from me to you.

So smile awhile and you will see,
A smile can change a frown for you or me.
Smile a while and you will surely say,
A smile can brighten each and every day.

A smile is a gift that you give yourself,
When you're feeling sad or blue.
A smile is a gift that you give away,
It's a gift from me to you.

A smile is a gift that you give away,
It's a gift from me to you.
