

# Bright and Shining Star

**You're the apple of my eye, a bright and shinging star  
You are perfect in my eyes, just the way you are  
Sing your own special song, sing it from your heart  
See the wonder that you are, you're a shining star**

**You're the apple of my eye, a bright and shinging star  
You are perfect in my eyes, just the way you are  
Sing your own special song, sing it from your heart  
See the wonder that you are, you're a shining star**
