

# Sing Along!

## Bubble, Bubble, Bubble, Scrub-a-Dub-Dub

Do you brush your teeth each morning,  
And take a bath each night,  
Clean behind your ears,  
And comb your hair just right?  
Do you wash your hands with soap suds,  
And keep them nice and clean,  
And always use a tissue,  
Especially when you sneeze?

*CHORUS (Repeat Twice):*

*Bubble, bubble, bubble,  
Scrub-a-scrub-a-dub,  
Brushy, brushy, brushy,  
Scrubby, rubby, dub.  
Wishy, swishy, wishy, washy,  
Soapy, dopey, suds,  
Bubble, bubble, bubble,  
Scrub-a-dub-dub.*

Do you cover when you cough,  
And cover when you sneeze,  
And when you burp out loud,  
Say excuse me, please?  
Do you help yourself the best you can,  
And care for bathroom needs?  
It feels so good to be real neat and  
Nice and squeaky clean!

*CHORUS (Repeat Twice)*
