

Can You Move Like Me?

Can you move like me?
I'm a cat you see
Can you move like me?
I'm a cat you see
Stretch, stretch, stretch, stretch

Can you move like me?
I'm a mouse you see
Can you move like me?
I'm a mouse you see
Run, run, run, run

Can you move like me?
I'm a bear you see
Can you move like me?
I'm a bear you see
Walk, walk, walk, walk

Can you move like me?
I'm a duck you see
Can you move like me?
I'm a duck you see
Flap, flap, flap, flap

Can you move like me?
I'm a frog you see
Can you move like me?
I'm a frog you see
Jump, jump, jump, jump!

Can you move like me?
I'm a fox you see
Can you move like me?
I'm a fox you see
Dance, dance, dance, dance

Can you move like me?
I'm a rabbit see
Can you move like me?
I'm a rabbit see
Hop, hop, hop, hop

Can you move like me?
Can you move like me?
Can you move like me?
Can you move like me?

For the Teacher:

The song, *Can You Move Like Me?*, encourages children to enjoy creative expression through active play and movement. Provide them with opportunities to move like the animals as they stretch like cats, walk like bears, hop like rabbits, run like mice and flap like ducks. Encourage individual expression, for no two animals or children are exactly alike!

Goal:

Children will practice language skills, develop body awareness and demonstrate developing strength, balance and control in performing large motor tasks such as, stretching, walking, hopping, running, jumping and flapping.
