Count the Moves

Come on, let's do the counting song...
1, 2, 3, 4, 5
Now everybody can count to five
6, 7, 8, 9, 10
Let's count our numbers and start again
1, 2, 3, 4, 5, 6, 7, 8, 9, 10

Hop 4 times and march to 8
Flap 3 times and
March again
March 4 times and march to 8
Flap 3 times and shake, shake, shake

Let's count with the frog again
1 jump, 2 jump, 3 jump, jump
4 jump, 5 jump, 6 jump, jump
7 jump, 8 jump, 9 jump, jump
10 jump, 11 jump, 12 jump, jump

Clap your hands once
Clap your hands twice
Clap your hands 3 times
Now that's real nice

Let's not stop. March with the beat
Now march, march, march
1 march, 2 march, 3 march, march
4 march, 5 march, 6 march, march
7 march, 8 march, 9 march, march
10 march, 11 and, 12 march, march
Keep it up

Now flap like a duck, flap, flap, flap...
1 flap, 2 flap, 3 flap, flap
4 flap, 5 flap, 6 flap, flap
7 flap, 8 flap, 9 flap, flap
10 flap, 11 flap, 12 flap, flap

Clap your hands once
Clap your hands twice
Clap your hands three times
Now that's real nice

For the Teacher:
The song, Count the Moves, gets the heart pumping and the brain connecting!
The rhythm, rhyme and repetition of this song encourage development of language
skills. You can use the separate verses of the song to help children develop number
concepts. Children will enjoy the challenging fun – time and time again.

Goal:
The children will actively participate in an activity to develop gross motor skills and
practice listening to directions and following along, as they pretend to move like
animals by marching, jumping and flapping.
