## Every Day's A New Day

### CHORUS

Every day's a new day.  
Today's day's a brand new start.  
Every day's a chance to  
Live with all your heart.

Every day's a new day  
Today's a brand new start.  
Every day's a chance to  
Live with all your heart.

### VERSE

*Yesterday is gone.  
Tomorrow's yet to be.  
Now's the time to play and learn  
And live in harmony.  
Wake up every morning  
With a smile on your face.  
Choose to think and be your best,  
And have a great day!*
