

# Sing along!

## Fly Free

I'm a little bit like you.  
You're a little bit like me.  
We're all a part of all we see.  
A little bit like you and me.  
I'm a little bit like you.  
We're a part of all we do.

I'm like the trees,  
I can bend.  
Free as a breeze,  
I'm like the wind.  
Flowers that bloom,  
Are just like me.  
Growing, learning,  
It's great to be.

A little bit like me.  
I'm a little bit like you.  
We're a part of all we do.  
A little bit like me.  
I'm a little bit like you.  
Life is for me,  
And life is for you.

I'm like the trees,  
I can bend.  
Free as a breeze,  
I'm like the wind.  
Flowers that bloom,  
Are just like me.  
Growing, learning,  
It's great to be.

I'm a little bit like you.  
You're a little bit like me.  
We're all a part of all we see.  
A little bit like you and me.  
I'm a little bit like you.  
We're a part of all we do.
