

# Sing Along!

## I Love All of Me

Oh! I love all of me,  
Even the parts that I don't see,  
From the inside out, without a doubt,  
I love all of me.

I love my funny little toes,  
And my neat little feet,  
My legs so strong,  
And my heart that beats,  
Eyes that see,  
And a mouth that sings,  
I can do amazing things.

Oh! I love all of me,  
Even the parts that I don't see,  
From the inside out, without a doubt,  
I love all of me.
