

Love, Love Love

**Love, love, love
What is love?
Love is caring
Love is true
Love is here for me and you**

**Love, love, love
This is love
Love is here
Love is there
Love is here for all to share
Love, love, love**

**God is love
And so are you
Show some love in all you do**

**Love, love, love
God is love
Love is caring
Love is fun
Share some love for everyone**

Love, love, love!
