

Sing along!

Love Me, Hug Me

Love me, hug me, squeeze me,
Love me, let me know,
I am the one that
You love so.

Love me, hug me, squeeze me,
Love me, let it show,
I am the one that
You love so.

Love me in the day time,
And love me in the night,
Love me every morning,
And when I'm out of sight.
Love me when I'm happy,
And love me when I'm blue.
Love me, love me do.

Love you, hug you, squeeze you,
Love you, let you know,
You are the one that
I love so.

Love you, hug you, squeeze you,
Love you, let it show,
You are the one that
I love so.

Love you when you're lonely,
Love you when you're glad.
Love you when you're silly,
Love you when you're sad.
Love you when you're grumpy,
Or when I'm mad at you.
Love you, love you true.
