

Sing Along!

Love Song of Pondering Pond

Now there's love, love, sweet love,
Come into my world and know the love, love, love.
Now there's peace, peace, sweet peace,
Come into my world and know the peace, peace, peace.

Come let me love you, I'll take you in,
Open your heart, I'll be your friend.

Now there's love, love, sweet love,
Come into my world and know the love, love, love.
Now there's peace, peace, sweet peace,
Come into my world and know the peace, peace, peace.
