

# Sing Along!

## Please and Thank You

Please and thank you are magic words,  
Please and thank you,  
Are the best I've ever heard.  
When I say them they help me be,  
The very best me that I can be,  
The very best me, that's me.

Please and thank you, thank you and please,  
Words of kindness, good for you and me,  
Please and thank you, thank you and please,  
Magic words for you and me.

Please and thank you are magic words,  
Please and thank you, the best I've ever heard,  
When I say them they help me be,  
The very best me that I can be,  
The very best me, that's me!
