## Problem Solving Boogie

I can solve my problems easy,  
I can do it, so can you.  
I can talk about my feelings,  
I can do it, so can you.  
I can solve my problems easy,  
I can talk about my feelings.  
I can solve my problems easy,  
I can do it, so can you.  
Just breathe real deep,  
Count to ten, calm right down,  
And start again.

I can solve my problems easy,  
I can do it, so can you.  
I can talk about my feelings,  
I can do it, so can you.  
I can solve my problems easy,  
I can talk about my feelings.  
I can solve my problems easy,  
I can do it, so can you.  
Just breathe real deep,  
Count to ten, calm right down,  
And start again.

Breathe real deep, count to ten,  
Calm right down and start again.  
Breathe real deep, count to ten,  
Calm right down and start again.  
Breathe real deep, count to ten,  
Calm right down and start again.
