## Respect Yourself

Respect yourself,  
That's the thing to do.  
Respect each other,  
It comes back to you.  
Respect yourself,  
It starts with you.  
Respect each other,  
It's the golden rule.

Respect is caring about every one.  
Respect is doing what must be done.  
Respect is being your best each day.  
Respect each other,  
It's the only way.
