

Sing Along!

Sparkle and Shine

CHORUS

*I'm ready, here I come,
I'm gonna sparkle and shine,
I'm ready, here I come,
I'm gonna sparkle and shine.*

VERSES

I can say my letters and count to ten,
Name my colors, go out and in.
I can pay attention and learn the rules,
I am ready to go to school.

I can zip my zippers and snap my snaps,
Brush my teeth and take a bath.
I can dress myself and tie my shoes,
I am ready to go to school.

I say please, excuse me, and thank you too,
Use good manners in all I do.
I care for others, I'm kind and true,
I am ready to go to school.

I can solve my problems, calm myself,
Share my toys with someone else.
I can wait my turn and listen too,
I am ready to go to school.

I can play and laugh and jump and sing,
I am ready to try new things.
I can sparkle and shine in all I do,
I am ready to go to school.
